### New in Napa Lodging

Now that you're in, where will you stay?

The modern [R INN NAPA](#) is perfect if you're looking for the privacy and charm of a townhouse within walking distance to all the downtown attractions yet with all the amenities of a larger hotel. The inn was inspired by chic European garden courtyard hotels but with updated amenities such as automatic adjustable beds, rainfall showerheads and heated Toto washlet bidet toilets.

Hot tip: book the 2 bedroom-1 bath standalone Bungalow with a full kitchen, living room, laundry room, private back yard and detached indoor-outdoor 10-seat dining pavilion.

Property amenities include a chef's kitchen and pantry which are accessible to guests at any time with complimentary breakfast items. On weekend mornings, locally baked quiche, croissants and morning buns are served. While there is not a restaurant, the inn works with a select number of private chefs to create bespoke dining menus. for a dinner party or working lunch for up to 10 people in the art-filled dining room. For larger venues, ample outdoor space may be utilized for exclusive use of the property. The property is also available as a buyout for a maximum capacity of 34 people with a 2-night minimum.
